About the Short Course

Learn how a brownfield developer combines debt, equity and government incentives to finance the acquisition, clean up and redevelopment of environmentally impaired property.

Who Should Attend?

This program is ideal for consultants, developers and government representatives who want to gain a better understanding of how to structure and finance a brownfield deal from an experienced developer that stumbled upon brownfields and now pursues a brownfield deal.

Why Attend?

The course will cover the:

- Brownfield industry overview
- Brownfield tools that are available
- Elements to the deal
- Alternative deal structures
- Raising capital and financing

Attendees will:

- Become more conversant in redevelopment language and techniques
- Better understand how to structure and finance a brownfield deal
- Receive a course book filled with course resources
- Network among industry professionals
